Mrs. Sternberg's Ten-Several Notable Weddings to Occur This Week -Whereabouts of Prominent Peo-

ple and Their Summer Plans.

Yesterday was the thirtieth anniversary of the wedding of Mr. and Mrs. Amzi

L. Barber, who held a large and delight

fully informal reception at Belmont, their splendid home on the heights of Four-

teenth Street. No intimation was given

by the host and hostess that the occa

sion was meant as a celebration of their

marriage but a number of family friends

remembered, and as a pretty result the

oliqued with black lace. They were as

of the house, arrived from Ardslev-on

rina, after their daughter, Mrs. L. T.

The month of brides and roses began

very much as May ended, with alternate

showers and sunshine, as though both months were patterning after April.

Weddings, of course, will form the chief interest of the next four weeks, the first

notable ceremony to be that of Mr. Blaine and Miss Hichborn, which will take place next Tuesday at noon. As

previously announced, the marriage will

be a family affair and be solemnized at the home of Admiral and Mrs. Hichborn

parents of the bride. The wedding gown

is to be of misty ivory toned face. The beautiful young bride will wear no veil and carry a cluster of purple violets in place of the conventional white blossom bouquet. There will be no attendants and the guests will be limited to the families of the contracting pair. When Dr.

When Dr. Nudeliffe has performed the ceremony and the congratulations have been extended Mr. Blaine will take his bride for a three months' tour abroad. Upon their return to New York, where they will make their home. Mr. Blaine will take up his journalistic work on a leading paper of that city.

On Wednesday evening at 8 o'clock Miss

Norena Guest, daughter of Mr. and Mrs. George W. Guest, and Dr. Harry Reid

Hummer will be married at Trinity M. E.

Miss Grace Louise Knowlton and Mr.

Clarke Waggaman will be married next

Wednesday at Valley View, the subur-

ban home of Dr. and Mrs. Clarke Wag-

gaman, grandparents of the groom. The

ceremony will take place in the country home of the Ciarke's because the deli-cate health of Mrs. Clarke would not have otherwise permitted of her attend-ing the ceremony, and the affair will be

a very quiet one owing to the deep mourning of Mrs. William H. Brown, aunt of the bride.

Perhaps the wedding which will create

the widest social interest during the com-

ing week will be that of Justice Brewer

and Miss Emma Miner Mott. The cere-

mony will take place, as already an-

Mott is now the guest of her niece, Mrs. J. Lindley Hall. Mrs. Karrick and Miss. Brewer will remain here. Justice Brewer and his bride will pass the summer at Liberty Hall, his summer home on the hore of Lake Champlain.

Miss Anna Irvine, who will sail for the

Philippines June 15, to be married to

Capt. Charles Lyman, of the Marine

Corps, is a piquant and pretty girl of

twenty, who has known her future hus-

band since early childhood. She will be

accompanied on her long journey by his mother, Mrs. Charles H. Lyman. Miss Irvine is the daughter of Lloyd H. Irvine, of this city, and the groom, who is also a Washingtonian, won his present rank by reason of his bravery during the Span-ish-American war.

Mrs. Sternberg, wife of Surgeon General Sternberg, entertained at tea yester-

day afternoon, when her friends had the

opportunity of admiring the beautiful new home which General and Mrs. Stern-

erg took possession of not so long ago.

Mme. Yale's

LADIES AND GENTLEMEN:

It affords me great pleasure to call the aften-tion of the public to Mme. Yale's Excelsior Hair Tonic, which is the first and only remedy known to chemistry which positively turns grey hair back to its original color without dye. It has gone on record that Mme. M. Yale—wonderful wogone on record that Mine. M. Vale—wonderful woman chemist—has made this most valuable of all chemical discoveries. Mine. Vale personally conducted discoveries, Mine. Vale personally conducted discoveries, Mine. Vale personally conducted the contract of the public her solemn guaranty that it has been tested in every conceivable way and has proved itself to be the ONLY Hair Specific. It STOPS HAIR FALLING immediately and creates a luxurious growth. Contains no injurious ingredient. Physicians and chemists invited to analyze it. It is not sticky or greasy; on the contrary, it makes the hair soft, youthful, fluffy, and keeps it in curl. For gentlemen and laules with hair a little grey, streaked grey, entirely grey, and with hald heads, it is especially recommended.

COLOR RESTORED.

Dear Madame Vale:—I can conscientiously recommend your Hair Tonic to any one, as I have found it just what you claim it to be.

My hair was falling out and beginning to turn grey. I have used six bottles of your Hair Restorer and my hair has regained its natural color, the grey hairs having almost disappeared, and have stopped falling out entirely. I have a great deal of confidence in all of your goods, as all that I have used have given entire satisfaction.

Great Wrapper Sale.

A Manufacturer's Stock of Wrappers, worth up to \$3.

That women are quick to recognize extraordinary bargains was proven again by the instant success of this great Wrapper sale which began Saturday morning. Such offerings are almost unprecedented even with us. There will be new lots for Monday and splendid choosing.

Genuine Imported Kochlein Organdies and Freres Baumgarten Corduroys and Welt Striped Organdies are made up into these Wrappers. You know the genuine French Kochlein organdies and welt stripes sell by the yard at 29c.

The recent very cool weather had the effect of putting manufacturers who had summer stock on hand in a very bad plight, therefore, when our buyer closed out this lot he bought them at less than half price, and we offer them to you accordingly.

The designs consist of floral patterns, set figures, novelties, brochure stripes, and bayadere raye effects. They are most beautifully made, handsomely trimmed with deep flounces, ruffles, etc. Also in the lot we will offer some extraordinary quality fine Lawn and Percale Wrappers; also some few Dimities. The colors include pink, light blue, reseda, old rose, hello, lavender, etc. You will find among this lot Wrappers worth from \$1.50 to \$3.00, tomorrow.... P. S.-None to dealers.
